Company History

Alegre was founded in 1992 by Lilly Fronista Phillips. Alegre began international source and supply in 1995. We specialize in Global Supply Solutions; importing and exporting goods, warehousing, inventory control, and JIT delivery to production lines in North America and Asia. Alegre is TS16949:2002 registered. Our company has a world class ERP system, which is web enabled, affording us real-time transactions from remote locations. This is ideal for international/ domestic supply and logistics management.
